Reserve Home Building HOW and WHEN

Altona council's detailed consideration of purchase of home building sites in the Explosives Reserve is unfortunately obscuring the more basic considerations involved.

The vital fact is that the area can be built on. The question of how and when are all important.

PRIVATE INVESTMENT OR COUNCIL CONTROL

A decision on the control of land settlement and disposal is in the hands of the Minister of Lands.

It could mean either private development or council control. In either case aspects of the scheme could be vitally altered and of course the price of the land to the home builder.

A third but not to be disparaged possibility is Housing Commission control.

TRANSPORT FACILITIES

It can be hoped that at the very least plans will include the route of a railway and station sites.

It cannot be expected that a bus service will operate until reasonable patronage is assured.

In the sectional development which seems probable this would not come early. Transport will be a major problem which must be overcome.

CO-OPERATION WITH NOTLA AND OTHER AREAS

Shopping facilities and amenities are provided in an extensive area of the adjoining Notla Estate.

The promoters of this development have expressed their desire to co-ordinate with the reserve plans. Unnecessary duplication and competition can be avoided.

This is very much in the mind of the council. At their last meeting Cr G. den Dulk raised the question of a conference with Notla to discuss these matters. In view of the present position Notla's plans may need revision. Cr J. J. Giffner went further. He suggested as Werribee Shire adjoins the Notla and old Laverton estates subdivision a conference should also include Werribee council and the Town Planning Committee of the Board of Works.

COST OR MARKET VALUE

At present it appears evident that the council intends to dispose of the land at approximate cost.

As this will benefit but few residents of Altona, councillors' intentions are largely altruistic. Against this it is contended that in all other aspects Altona would most benefit by sales at market or auction value.

WHEN WILL THE LAND BE AVAILABLE?

In a normal subdivision program it would be reasonable to set aside a date for the end of the scheme and sale of land, but more intangible factors here present make this difficult.

Parliamentary action for disposal of the Crown land will take its due course. The main drain (or boat harbour) through the estate, plus any other necessary drainage works, land filling and the

water supply from Laverton are necessary as well as the normal subdivisional requirements of the area. Some activities of course will be concurrent with others.

An estimate of a practicable time table is essential in the interests of prospective home builders and current subdivisions.

ALTONA'S HERITAGE

This large area of sea front land is of great potential value to Altona. It must be put to the best use.

With the maximum provision of open space and reserves it can become a locality the like of which any municipality would be proud.

Hockey Club Presents \$1000 To Council

Photo by Barry Sutton, 65-6017.

Altona Hockey Club has raised \$1000 towards the cost of the proposed \$20,000 pavilion to be built on the hockey ground at Grant Reserve.

Recently Shire Secretary, Mr J. W. Waters, said it is expected that the pavilion will be ready for next season's hockey players.

Pictured at left is Mr. Eric Symons, a member of the Grounds and Finance Committee, presenting the \$1000 to Shire President, Cr S. G. McIntosh, at last week's council meeting.

Cr McIntosh expressed his appreciation of the club's efforts in raising this money and also complimented them on the healthy outdoor activity they provide for both boys and girls. He said at a recent carnival on Grant Reserve he was pleased to see the whole of the sporting area being used to capacity by young players. He urged club members to do all in their power to retain this interest among the young people.

Mr Symons was accompanied by Messrs. Ian Grant, club secretary, Frank Ranger, treasurer, and Jim Studley, Grounds and Finance Committee. An apology was offered for the absence of club president, Mr. Ron Ford, who also is secretary of the Victorian Amateur Hockey Association Under Age Committee.

ALTONA'S BIRTH- RATE IS FALLING

In 1964 Altona's birthrate was 36 births per each 1000 of population. In 1965 the figure has dropped to 29.5.

Births for Altona Shire for the two years were 762 and 676.

Population estimates were 21,100 in 1964 and 22,800 in 1965.

The birthrate figures were issued last week by the Commonwealth Bureau of Census and Statistics.

Shire Secretary, Mr J. W. Waters, points out that assuming 80 per cent. of children of four years of age will wish to attend kindergarten, it could be estimated that in 1968 the council will require 12 kindergartens. However, in 1969 when the 1965 children will be attending kindergartens there will be a need for only 11 kindergartens.

At present the council has seven kindergartens.

Last year when there were five kindergartens in operation and birthrate figures had doubled in recent years, Cr G. den Dulk announced an overall plan to build six new kindergartens and possibly a seventh over a three year period.

Two of these have been built in the 1965-66 year and two more will be established during 1966-67.

At last Tuesday's council meeting Cr den Dulk stated the council would try to adhere to the first two years of the plan, that is, until the end of the 1966-67 year.

However, after this council will review the situation again.

The falling birthrate, if it continues, could be offset by an influx of population to the Explosives Reserve and the proposed Notla and Broons subdivisions.

Kindergartens will be needed in the new areas but land will not be a problem as sites have already been set aside for this purpose.

However, the falling birthrate was not felt at the Altona District Hospital.

In the 1963-64 year 222 infants were born at the hospital but instead of decreasing in the next year in line with the falling birthrate the number of births increased to 273.

Elderly Citizens Make First Payment

Photo by Barry Sutton, 65-6017.

Mr. Jack Sutton, president of the Elderly Citizens Social Club, presents a \$400 cheque to the Shire President, Cr. S. G. McIntosh, as a first instalment towards repaying the cost of the van recently purchased on the Elderly Citizens Club behalf by the Altona Shire Council.

Mr. Sutton said provision of the bus is invaluable as it opens up the facilities of the club to the infirm elderly on crutches and in wheelchairs, etc.

Most of the \$400 was raised among club members.

However, since this presentation further donations totalling \$542.26 have been received by the Welfare Committee.

Donations already acknowledged in the "Star" total \$28.46. Latest donations are—
Mrs Holly \$1.00
Mrs D. Smith 65
Mrs Johnston \$2.00
Miss Cole 30
Anonymous 75
Mrs Wells \$2.00
Mr McWhister \$2.00
Mrs Woodyard \$2.10
Mrs Martin \$1.00
Mr and Mrs Benson \$2.00
Messrs R. J. Gilbertson \$500.00

NEW TIP

The Altona Shire tip at the rear of the civic offices will be filled within the next few weeks.

Tipping operations will then be transferred to a site off Blackshaws Road, west of Freemans Road, in Altona North.

The actual date of transfer is dependant on approval of the site by the Health Commission.

Signs will be erected and advertisements inserted in the "Star" advising the public of the change.

Two Hotel/Motel Applications

Two proposals for establishing hotel/motels in Altona were on the agenda for last week's council meeting.

Mr David Pearl, of Caulfield, is director of a company which is obtaining options to purchase three acres of Wimpey's land on which it is proposed to erect a hotel/motel. He requested permission for a company representative to address the council in order to acquaint it with details.

The second proposal was from Notla Investments seeking permission to establish a hotel/motel on the south side

"Not Built For Stage Productions"

The Civic Hall was not built for the purpose of stage productions by local organisations.

This was the information voiced by Crs G. den Dulk and W. G. Cresser at a meeting of the Parks, Gardens and Foreshore Committee earlier this month.

At the meeting chaired by Cr A. W. Bond the committee was considering letters from Altona High School and Altona Drama Group commenting on various matters affecting their stage productions.

The school which will use the hall for its annual Gilbert & Sullivan presentation in August pointed out that past productions had been marred because of difficulties associated with lighting. The council was asked to give serious thought to the provision of proper lighting.

The stage lighting, rehearsal facilities, hire of the hall and other matters were raised by the Drama Group.

Cr den Dulk moved and Cr Cresser seconded the motion that the Drama Group be notified that the hall was not built for the purpose of stage productions and at present the council is unable to do anything about lighting. A similar reply to go to the school.

Regarding hiring charges for the Drama Group the committee referred this question to Cr A. J. Fisher for his consideration and recommendation.

The committee decisions were adopted by Altona council last week when Cr Bond who moved their adoption commented that stage lighting could cost from \$600 to \$866.

of Queen Street and east of Victoria Street.

Council gave no views on this application as moves are afoot for a conference of all parties which would be concerned in an overall planning scheme for Altona West and Laverton.

EDITORIAL

THE 35 HOUR WEEK

Altona Labor councillors faced pre-selection by their party and were accepted or elected by ratepayers on the understanding that they would forward Labor policy. This implied personal support, full co-operation with Labor colleagues and acceptance of Australian Labor Party directives.

Now the Victorian A.L.P. Conference has decided that the working week be reduced to 35 hours in line with the long standing policy of the Australian Council of Trade Unions.

It was pointed out that the decision would be binding on Labor councillors.

Whether this is desirable or expedient is a matter for argument, but Altona councillors are involved.

In the past local councillors have been strong, and at times aggressive, supporters of Altona interests. They have also always been consistent in their loyalty and support of Labor policy.

At this time as men of integrity they face a difficult decision. On the one hand there is the Conference motion, on the other is their knowledge of Altona conditions.

The council's present financial position is such that it is becoming difficult to supply all necessary services and amenities from current revenue.

Councillors know that the 35 hour week can only be obtained by economies in the use of labour or reductions of services or by an increase in rates. The latter would be most likely.

Before each councillor there are two probable lines of action.

He may accept or support the decision and vote to authorise its introduction in Altona. He may endeavour to have the decision of the Conference reversed or postponed. There are other possibilities which need not be stressed.

Before Altona councillors is the problem caused by their dual responsibilities of facing a rather arbitrary conference decision and of preserving the interests of Altona ratepayers.

ALTONA WORKING MEN'S CLUB NEWS

At the club last Thursday there was a large turn up of eager carpet bowlers for the friendly social evening, which was enjoyed by all present.

Players would like to see more members learning to play this most popular game.

Everyone would be made more than welcome and the champion players would be pleased to show the amateurs how to play the game. Many of the older players seem to have drifted away and it is hoped this reminder will bring them back to the fold.

This Saturday night is the big night at the club under the auspices of the Victorian Indoor Bowls Association. Twelve teams from Colac District will compete against 12 metropolitan teams. Trophies and supper will be provided by the VIBBA. Visitors are allowed and Altona, as the host club, will supply facilities and assistance for supper.

It is hoped a large number of members will come along as visitors on Saturday night. Full use of other club facilities will be available for members.

It is hoped to have Bill and Marge Spence back from their Darwin holiday which it is hoped was very enjoyable. No doubt Bill and Marge have come home with a number of new ideas that will benefit the club.

SPORTS NIGHT

The sports night on July 9 is drawing near, and with the interest being shown by members it promises to be an enjoyable evening. All intending players are requested to leave their names with the sports committee.

Players could assist us by arriving at the clubrooms by 7.30 p.m. to allow time for arrangements of teams and to ensure a start to be made by 8 p.m.

Entry fee is 30 cents per player and games will be played in teams of four.

It is possible that games could be finished by 10 p.m., leaving time for a social dance to be held afterwards.

All are welcome to compete on this evening, which promises to be another great success.

SNOOKER AND BILLIARDS

The consolation prize for the snooker tournament is to be played off this Friday. So far there have been some very closely contested games and the final game could turn out to be a black ball game. After the finalisation of this match the Billiards Committee will go ahead with the next tournament.

Members interested should come forward at once to enable players to get right into the game again.

GARDENING

No doubt visitors to the club have admired the handiwork of the small band of gardeners who, during the past few weeks, have been working to improve the approach to the clubrooms by planting shrubs and flowers along the front of the building. There is no truth in the rumour that Sid Burgess, Charlie Thompson, Wally Shaw and Harry Gibson are going to give a fitness demonstration, although anyone can be forgiven for thinking so after seeing them breaking and lifting the 12 inch thick concrete that had to be removed in order to plant the shrubs.

The Gardening Section of the club is very small in numbers and would like to welcome any new members to their meetings held at the club on the second Friday of the month at 8 p.m.

Incidentally, there is no more concrete to break up, so come along.

NEXT DANCE

Tickets are selling fast for the next club dance on Saturday, July 16. Members and friends are advised to purchase their tickets without delay from anyone of the following committee members—Iris Mead, Jean Driscoll, Margaret Macfarlane, Charlie Thompson, Keith Neyland or George McCallum.

Tickets at \$1 each, including supper, are limited in number.

Music will be provided by a four piece band.

VALE SIDNEY H. SCOTT

"Time like an ever-rolling stream bears all its sons away."

And Altona lost another of its old identities with the death of Sidney H. Scott, aged 79 years, at the Royal Melbourne Hospital on Monday, June 20, 1966.

This fine old man identified himself with Altona in 1930 when he and his wife opened a newsagency and stationery shop at the corner of Pier and Blyth Streets. This corner is now occupied by a fruiterer. Sidney Scott's love for children and his public relationship with adults made his business a happy and successful one.

From approximately 1932 until 1966 he rendered faithful service as a Justice of the Peace.

During 1932, the first meeting for the formation of the Altona Methodist Church was held in his home and in 1935 to 1938 he was secretary of the Church Trust. His membership with the church remained an active one all the days of his life.

In 1938 he left Altona to reside at Camberwell, but the call of Altona being strong in his memory, he returned in 1953 and purchased the property of Cr J. K. Grant, of Seaview Crescent, Seaholme.

His passing will leave an empty void among his many friends and neighbours who will miss his cheerful and friendly ways.

Sidney Scott leaves a wife and two children, William, who resides at Canberra, and Beatrice (residing at Beaumaris), who married Ronald Book, also a member of another well-known Altona family.

The Rev. John Adamthwaite conducted the service at the Methodist Church, Seves St., on Wednesday at 10 a.m., and later at the Western Suburbs Crematorium.

Yacht Club Hold a Car Rally

Altona Yacht Club held a very entertaining and successful family car rally on Queens Birthday.

Organised by the Victorian Hornet Association, the rally finished at Hanging Rock Picnic Ground and despite the threatening weather, everyone thoroughly enjoyed the day.

The 16 starters contributed \$24 towards costs of the Hornets trip to Perth for the National Championships next Christmas. Ron Bartlett, of Heron fame, navigated the easy course and the tricky questions to prove one doesn't need a racing car to win this type of rally.

Ross McGoff, from Balwyn, came a close second and Bob Foster, of Brunswick, managed third. In the afternoon the organisers learnt more experience was necessary in arranging a treasure hunt, but nevertheless the very athletic Ian Gould, a crew member of Struan Mist won a delicious box of chocolates.

Highlight of the afternoon came with the hotly contested car reversing and parking competition. Jim Grieve the popular Heron skipper, with more good luck than good judgment, took out first prize in this well managed event.

Watch this paper for further attractions from this association.

The Social Whirl

If you have any news of a birthday, engagement, wedding, or social event, it can be included in these pages. Phone 65-8277—there is no charge.

SPASTIC AID

Chs. Ion, the Seddon Spastic Centre attended by Altona residents, will benefit from Sunshine Kennel Club's Annual Show at the Royal Showgrounds on Saturday, July 30.

Full proceeds will go to Chs. Ion and senior girls from the centre will be displaying and selling their work from a stall at the show.

Entry forms and further information may be obtained from the secretary, Mrs. D. Norman, River Avenue, Plenty. Phone 43-4578. Entries close on July 1.

The next regular social evening organised by the Altona Spastic Aid Committee will be held in the Youth Hall in Civic Parade tomorrow, Friday, June 24.

Entrance donation is 50 cents and activities will commence at 8 p.m. sharp.

Plenty of prizes are available and supper will be provided.

27th Wedding Anniversary

The 27th wedding anniversary of Mr and Mrs F. Hawkrig, of 145 Bladin Street, Laverton, was a quiet family affair last Tuesday.

The couple, who were married in England on June 21, 1939, came to Australia with their two sons and two daughters in 1958.

Slide Afternoon

Brigadier Pettiford and Captain Warhurst, who have given many years of missionary service in India, will be giving a colour slide afternoon to the ladies of the Home League this afternoon, Thursday, June 23, at 2 p.m.

All who are interested in learning more about the needs of the peoples of India are invited to attend. An offering will be taken to assist the annual missionary appeal.

"The Great Waltz"

Currently playing at Her Majesty's Theatre is a big new lavish musical, "The Great Waltz." For those whose taste turns to sumptuous gowns, elaborate sets, colourful atmosphere and glorious singing voices, "The Great Waltz" is a must!

Highly successful as a motion picture made by MGM some years ago with Miltza Korjus and Fernand Gravaat in the leading roles, it has been revived and revived and revived. The JCW production of "The Great Waltz" stars the world famous opera star Joy Mammen with Keith Neilson, Roslyn Dunbar, Anton Morgen, Phil Jay and Eric Reiman in supporting roles, plus a superb chorus and ballet company.

Now in its last weeks at Her Majesty's, "The Great Waltz" concludes its highly successful season on Saturday July 16, prior to going to Adelaide and then Sydney.

EVANS-MURPHY WEDDING

Mr. and Mrs. Rodney Graham Evans, currently honeymooning in New Zealand, were married at St. Andrew's Presbyterian Church, Footscray, on June 4.

The bride was formerly Carolyn Joy Murphy, the youngest daughter of Mrs F. J. Murphy and the late Mr Murphy, of Vernon Street, South Kingsville.

Rodney is the second son of Mr and Mrs L. R. Evans, of Maidstone Street, Altona.

Carolyn wore a gown of white linen with a lace top. The matron of honour, Mrs Rae Grinter, and the bridesmaid, Joan Evans, wore lemon

crepe gowns with gold lace tops.

Mr Geoff Graham was the best man and the groomsmen was Mr Les Grinter.

The Rev. Mr McPhail officiated at the ceremony, which was followed by a reception at Talbot Hall, North Williamstown.

When they return Rodney and Carol will move into their new house in Cooper Avenue, Altona North.

St. Eanswythe's Young Wives Group

The ladies of St. Eanswythe's Young Wives Group have arranged to visit the ladies of the Altona Hostel on Wednesday, June 29, at 1.30 p.m.

Members are reminded to bring a cup and saucer and drinking mugs for their children as well as a plate of afternoon tea.

Anyone requiring transport please ring either Mrs S. King, 65-8444, or Mrs M. Rice 65-8549.

Altona Elderly Citizens News

On Saturday, June 18, Cr J. J. Ginfier and his wife attended the monthly dance of the Altona Elderly Citizens Club which was well patronised and enjoyed by all.

Next Saturday, June 25, will be the monthly birthday party for all who have birthdays in June. Mrs Mitchell is bringing along a number of artists to entertain members at the party.

The following day, Sunday, June 26, the "Dinkum Aussie Revue" will be visiting the club to entertain members and friends. The revue will commence at 2.30 p.m. and entrance is by a silver coin donation. Afternoon tea and biscuits will be served.

Next social club committee meeting will be on July 4 at 1.30 p.m.

FUR PARADE

Many husbands were perhaps a little unwise in so freely agreeing to the attendance of their wives at a fur parade in the Altona Civic Hall on Wednesday of last week.

The comments of two expert furriers—a mother and son (he the only male among 140 females)—were closely followed and tucked away for future reference in the minds of prospective fur buying wives.

The wives were impressed by how economical can be the purchase of a good fur, but it may be harder to convince budget conscious husbands.

Local as well as overseas skins were shown and mannequins modelled attractive fur collars, the latest hats, stoles, jackets and coats.

Numerous oohs, ahs, and sighs of envy were heard during the modelling of a luxurious Arctic Fox evening wrap.

Minks "that were out of this world" fur was a winner, as was Mrs Jocelyn Jumpertz who actually became the owner on Wednesday night of a piece of real mink. She won a mink lapel flower donated by the McLeans—the furriers who showed the furs and provided the commentary.

The night was also a financial success for the organisers—Altona District Hospital Ladies Auxiliary—whose members prepared the supper which followed the parade.

THEATRE PARTY

Persons wishing to take advantage of cheaper seats available for the Princess Theatre show "Robert and Elizabeth" have only until tomorrow night (Friday, June 24) to make arrangements for them.

The Altona West Primary School Mothers' Club has organised a theatre party for Wednesday, July 20.

Tickets at the reduced price of \$2.85 may be purchased from Mrs Grieve, telephone 398-1593, or Mrs Nevitt, 398-1114.

BELLE OF THE BALL

Beth Constantine, of Werribee, was Belle of the Ball at the Bernard-Smith Company's Second Annual Ball at the Fiesta in Footscray last Friday night.

Mr H. H. Heller, manager of the engineering company in Blackshaws Road, placed the blue sash over Beth's shoulders.

Beth, who was chosen from finalists selected by the orchestra, wore a white satin full length gown which had a ribbon lace bodice.

She and her partner modern waltzed a victory lap of the dance floor before being joined by other dancers from the 180 employees and friends who attended the ball.

Altona Film Society

The current season of the Altona Film Society will continue this week with a screening of the British comedy "Heavens Above."

The cast includes Peter Sellers, who takes the part of Bishop of Outer Space!

The program will commence at 8 p.m. on Friday, June 24, in the Civic Hall.

Social Bowls

Winners of the indoor social bowls played at Altona Bowling Club last week were—

THURS.: M. Jacametti, Q. Cox, J. Milliken and J. Douglas (s).

SUN.: P. Whitmore, D. Watson and T. Mitchell (s). Birthday greetings to Harry Harris and Queenie Cox.

A picture night will be held in the clubhouse on Saturday, June 25, at 8 p.m. Come along and see the "film stars" in action and you will not be disappointed for "it could be you."

The annual general meeting will be held on Monday, June 27, at 1 p.m.

Will all members desirous of playing pennant for season 1966-67 please have their names in on that day as particulars have to be forwarded to VLBA office.

PEDAL CLUBS TO HOLD PICNIC

The Council of Pedal Clubs is holding a picnic to Eltham on Sunday, June 26. The Altona Pedal Club has hired a van to take members and their families at a charge of 50c per person or \$2 for families of four or more.

For the boys there will be a lightning premiership football match between all clubs and a basketball match for girls.

Free drinks will be provided. Members and parents are urged to attend and make it a good day.

The bus will leave 28 Linnet Street at 9.30 a.m.

Mr Winn, hard working organiser and friend of all the local riders, is in Footscray Hospital where he was operated on earlier this week. His many friends wish him a very speedy recovery.

SILVER PEDAL

Silver Pedal results for June 11 are: 45, 46 and 38; June 18: 79, 127 and 18.

THE ALTONA PETROCHEMICAL COMPLEX

The Altona Petrochemical industry is located on some 527 acres of land along Kororoit Creed Road and is only 10 miles from Melbourne.

Sheep once grazed on the open basalt plain where today five corporations have made a total capital investment of about \$58,000,000 in a closely integrated industrial chemical complex.

Further investments are being made by B.A.S.F. Australia Mfg. Pty. Ltd. (\$1,500,000) and Hoechst Chemicals (Australia) Ltd. (\$8,000,000).

Heart of this complex, the Altona Petrochemical Company Pty. Ltd., provides basic raw materials—ethylene and butadiene—to sustain the other four companies.

Ethylene is delivered by pipeline to the plants of C.S.R.C. Dow Pty. Ltd. and Union Carbide Australia Ltd. and later this year it will also be supplied to Hoechst Chemicals (Australia) Ltd.

Union Carbide converts the ethylene into polyethylene, which is sold for use in the manufacture of packaging film, piping, containers and housewares.

C.S.R.C. Dow produces ethylene dichloride, which in turn goes to the plant or B.F. Goodrich-C.S.R. Chemicals Pty. Ltd., for the manufacture of PVC for insulation for wires and cables, film and sheeting, hoses, tubing, gramophone records and floor tiles.

Also from ethylene, C.S.R.C. Dow produces styrene some of which is converted into polystyrene, some is sold to Australian Synthetic Rubber Co. for production of synthetic rubber.

Polystyrene is used in the manufacture of refrigerator linings, radio and TV cabinets air conditioning units, housewares and toys.

When their plant is completed, Hoechst Chemicals will manufacture high density polyethylene which is used for mouldings and extrusions.

By combining styrene with the butadiene purchased from APC, the Australian Synthetic Rubber Co. produces styrene-butadiene rubbers (S.B.R.) which, in the hands of the rubber processing companies, find application mostly in motor car tyre treads but also in various other rubber articles such as footwear.

Also due for completion in 1966 is the plant of B.A.S.F. Australia Mfg. Pty. Ltd., which will manufacture expandable polystyrene from styrene produced by C.S.R.C. Dow. Expandable polystyrene is used for insulation and protective packaging.

Altona Petrochemical Company (APC) is owned equally by Mobil Oil Australia Limited and Esso Standard Oil (Australia) Limited. Approximately \$26,000,000 was spent to build the petrochemical plant, which commenced production on August 28, 1961, 21 months after ground was first broken. Fluor-Utah, a joint venture of Fluor International and Utah Australia Ltd., carried out the detailed engineering design and construction to the process specifications supplied by Esso Research and Engineering Co. Australian sources provided about 60 per cent. of the materials used. The peak field force engaged in the construction numbered 1800. About 200 persons are now employed by APC.

The heart of the APC plant is the steam cracking unit, in which a petroleum distillate supplied by the PRA Altona Refinery is subjected to high temperatures in the presence of large amounts of steam.

Altona North Primary School

FOOTBALL

Since the season began three matches have been played by the Altona North Primary School and the team has defeated Altona East, Williamstown and Newport by four points, 19 and 11 respectively. Up to the present the victories have been due to the fact that the boys have played as a team. It has been difficult to pick the outstanding players but special mention must be given to John Zulic, Michael Carroll, Richard Kinkel, Keith Gesler, Peter McGuigan and Jimmy Groulos. The team is handled by the sportsmaster, Mr G. Nixon, and Mr John Mather, an interested parent, who has been a great help on training nights. The Reserves have played two games for a win and a draw.

BASKETBALL

The girls have won one game out of three but under the able coaching of Miss Condon and Mrs Herbel, an interested parent, they are improving all the time and will worry any team they meet from now on. The Reserve team has won two out of three games. Best players are Helen Makin, Christine Warr and Marjorie Jenkins.

SOCIAL SERVICE

The collection of Social Service money for Term 1 was \$80. This money was presented to Mrs Andrews the head mistress of the Chislon Spastic Centre, along with birthday cards and scrap books made by the children. Congratulations to Miss Dorothy Wood for her sterling effort as the organiser. The project for Term 2 is Aboriginal Welfare.

FOOTBALL CLINIC

On Wednesday, June 8, the South Melbourne Football Club conducted an excellent clinic at the school. The club was represented by Max Papley, John Heriot, Alan Dunn, Ron Kingston and Rod Serich. The players did a fine job in the time allotted covering all aspects of the game. The players were thanked by the school team captain, Jimmy Groulos.

BUILDINGS

The erection of eight new rooms for occupation is well under way and the rooms should be ready for occupation in Term 3 if not before.

EXAMINATION RESULTS

TOPS OF GRADES

Grade 3: Barry Miller and Susan Boicos;
Grade 4: Leslie Spiteri and Lesley Darling;
Grade 5: Debbie Schwierut, Emmanuel Bussutil and Michael Carroll;
Grade 6: Helen Makin and Stephen Toussaint.

Other chemicals besides ethylene and butadiene which could be recovered for sale include propylene, propylene polymers, iso-butylene, higher olefines, methane, ethane and hydrogen. At present the propylene and iso-butylene are converted to gasoline blending stocks and these together with fuel gas and fuel oil made in the process are sent to Petroleum Refineries (Aust.) Pty. Ltd. (PRA). Annual production capacity is approximately 46,000 tons of ethylene and 21,000 tons of butadiene.

DARTS TITLE FINAL ON TONIGHT

DOUBLES CHAMPIONSHIP
Tonight, Thursday, June 23, will see the completion of the doubles championship of the Western Suburbs Darts Association.

With smooth organisation, the elimination round and a part of the second round were completed—leaving only 23 matches to be played—which includes the finals.

ELIMINATION RESULTS

C. Saul/R. Fox d. B. Hitch/D. Sanfillipo. J. Graham/J. Duguid d. G. Hinchey/J. Paris. D. Dalziel/A. Davis d. R. Brook/J. Roy. J. Taylor/D. Walker d. J. Managh/N. Vernon. H. Fox/B. Cant d. K. Styling/R. Brooker. C. Mannering/B. Smelt d. D. Kidd/A. Jordan. D. Wilson/E. Atkins d. G. Payne/J. Patterson. A. Thomas/A. Vurlow d. J. Patterson/H. Humphreys. B. Boyle/J. Payne d. R. Souel/S. Paris. K. Skehan/L. Fuller d. J. Bird/W. Richards. M. Conlan/R. McDonald d. J. J. Evans/I. Paris. G. Barnes/F. Condon d. S. Baddeley/B. Gowland.

LIGHTNING TEAMS CHAMPIONSHIP

As the doubles were scheduled for three weeks, June 30 is now vacant and it has been decided to conduct a lightning teams championship on a knockout basis.

Teams shall consist of six players, and the match shall be three team games of 801, best of three legs. Entry fee will be \$2 per team. The winning team will receive a trophy and a gold medalion for each player. The runners-up will receive a trophy and a silver medalion for each player.

Play will commence at 7.45 p.m. sharp. Entries will close on Saturday, June 25. If there is not enough time to play the finals, these will be played on Thursday, July 14.

THIRD ROUND OF VDA CUP

The third round of the Victorian Darts Association Cup will be played at the Yarraville Club on Friday, July 15, against Metropolitan Darts League, commencing at 8 p.m.

The selectors will meet on Monday, July 4, to select 12 players to represent the association.

The selected players will then have a training night at the Altona RSL on Wednesday, July 13.

International Variety Concert

Latvian, Hungarian, Italian and Indonesian performers will appear at an international variety concert in Footscray at 8 p.m. on Friday, July 1.

The concert will be staged in the Footscray Technical College Assembly Hall for the Kay Patullo Appeal.

It is being arranged by the organisers of Moomba International Concerts in the Melbourne Town Hall.

Acts will include folk singing from Indonesia, led by Radio Australia personality Ebet Kadarusman. Hungarian dancer Esther Olah will give a ballet solo.

Greek TV singer Nina Black will appear and there will be a group of Latvian folk dancers, in colourful costumes. Japan will be represented by dancer Miyoko Oki.

Fifteen girls from the Balmoral Calisthenics Club—seasoned campaigners at the South Street Festival—will appear.

The girls who represent the faculties in the current Miss Footscray Technical College Quest will be introduced to the audience.

Kay Patullo, who is being treated for a rare ailment in Vienna, did most of the organising of the first Footscray Tech. ball last year. There will be a second ball on July 20.

Tickets for the international concert (\$1 each) are available at Casley's Jewellery, Paisley Street, Footscray. Inquiries, phone 68-6530.

Hit and Run Driver Fined \$60

Hit and run motorist, William Charles Verlander, of Davies Street, Altona, was found guilty of three charges and fined a total of \$60 with \$8.90 costs at Williamstown Court last week.

He was fined \$20 on each of the charges—careless driving, failing to stop after an accident and failing to report the accident to the police.

Charles Trask, of Hawthorn, told the court he parked his car in Millers Road, Altona, at 7.55 p.m. on October 30 last year.

On returning to the car at 11 p.m. he found it damaged. Repairs cost \$83.

Ian Harrington, of Railway Street, Altona, witnessed the accident.

In evidence he said he was at a service station at the corner of Millers Road and Civic Parade, at 9.30 p.m. and saw a car coming down Millers Road.

The car appeared to skid towards the garage corner and "collected" the parked vehicle. The car did not stop.

As the driver kept going Harrington took after him. Witness saw the offending car parked at the beach and took the number.

Verlander told the court that as road works are in progress in Millers Road only about 20 feet of roadway was available at that time and he hit a bump left by the works. He said he swung out and was trying to get his car under control when he clipped the corner of a parked car and kept on going.

Verlander admitted prior driving convictions.

Honorary Justices on the Bench were Messrs. H. Kim, F. Lovegrove, R. King and M. Robinson, J.S.P.

Foreshore Reclamation Referred

A local resident's suggestion to reclaim a section of the Altona foreshore has been referred by Altona Council to the Parks, Foreshore and Properties Committee for consideration.

Captain S. L. Heriot, of 91 Esplanade, considers several problems would be solved if the area of sea, containing the rock reef between the proposed Seaholme breakwater and the vicinity of Bayview

Street, were reclaimed.

It would enable widening of the Esplanade for the expected heavy flow of traffic, provide off-street parking facilities and better protection from the sea for the road and nearby properties.

Captain Heriot cited the example at Williamstown where during the depression an area of rock reef at the west end of their beach was reclaimed and which today is an asset for car parking, instead of being a liability where children would become hurt with cuts from rocks.

He also asked the council when it is expected that the sea wall along the same stretch of foreshore will be increased in height from road level to a more suitable height of around four feet.

As is well known the sea comes over the wall in bad weather and is a danger to property and to motor traffic using the road. Sea water is very corrosive said Captain Heriot.

He commented on the fine development of the Shire and said it is a pity that visitors who may be interested in buying property here are greeted on arrival at the Esplanade from Millers Road with sea water over the road or else drenched with spray blowing over the sea wall. He asked that the reclamation scheme be a future project of the council.

In the meantime to ease the congestion caused by traffic parking on both sides of the Esplanade west of Millers Road he suggested parking in summer be restricted to the seaward side only.

Correspondent's Views

CULTURE

Dear Sir,

I read a letter contributed by Mr John Hartley and published in your newspaper on June 9, 1966.

I subsequently sought information from the Shire Office— which any ratepayer may obtain— to answer the economic discourse of Mr John Hartley. I have been informed that the Civic Hall has been used on 46 different occasions by commercial undertakings, namely: Sunday nights: Three times; Monday nights: Three times; Tuesday nights: Five times; Wednesday nights: four times; Thursday nights: Three times; Friday nights: Six times; and Saturday nights: Twenty-two times during a period of 365 days of the year (figures based on bookings since June 1965 to June 1966). During this same period the Altona Council has used the Civic Hall on 14 nights for various functions and 11 days for the purposes of immunisation and vaccination. The Altona Film Society has used the Civic Hall on one Thursday and three Friday nights. It has booked the hall for a further three Friday nights.

From the above information it appears that the Civic Hall is not a profitable business venture. Nevertheless I am grateful to Mr Hartley in pointing out the economic potentials of the Civic Hall. After all, "only one fellow in ten thousand understands the currency question, and we meet him every day" (Frank McKinney Hubbard).

I believe that no Town Hall in Victoria has made a profit during the year. Perhaps a more real question to ask is whether the Civic Hall was ever designed to make a handsome return on the money invested by the Altona Council in building it? I believe that the Civic Hall is first and foremost a benefit to the ratepayers and provided it is used for such benefit then the purpose has been accomplished and the ratepayers have benefited.

I disagree with Mr John Hartley's laissez-faire attitude expressed as, "the cost in money is immaterial as long as the cultural activities of the Shire are promoted." I believe that the costs are particularly material. Culture is not a commodity one buys nor is it evaluated in terms of the money spent. It is a gradual awakening of the inner spirit of humanity to appreciate the best in various art forms. It is only by intelligent use of funds and public education that one hopes cultural activities will be sponsored in Altona.

As for the assurance that Mr Hartley seeks I refer him to the very full and generous report published in the "Altona Star" on December 9, 1965, when the whole question of council assistance was vetoed and to the recently published report on May 26, 1966. I point out that a seminar was held on February 24, 1966, at the Civic Hall to which members of the public were invited on the question, "How can the Altona Shire Council assist in the Cultural Development of the Community?" Mr John Hartley did not attend. It is possible Mr Hartley adheres to what Aphra Behn satirised, "he that will live in this world must be endowed with the three rare qualities of dissimulation, equivocation and mental reservation."

The Altona Council has adopted a policy of assisting cultural organisations that register with it by the provision of a yearly subsidy and the use of municipal buildings. It is implicit in the reports published in the "Altona Star" that every registered cultural organisation has equal opportunity in availing itself of the benefits offered. Each organisation will be assisted. When particular submissions are made to the council for extraordinary benefits these will be considered and the council in its discretion will decide on the merits of the case.

I express my sincere gratitude to the "Altona Star" for the full coverage it has given to cultural activities in Altona.

BRIQUETTE DUMP

Dear Sir,

In reply to the letter of Mr H. J. Jeavons, which criticised Mrs Evans and her attitude towards recent sayings by Cr Crofts in council, I have this to say.

The writer in question stated Mrs Evans was reading between the lines when she appraised Cr Crofts' seconding of a motion by Cr den Dulk, which stated that the council should not accept the letter of explanation by the State Electricity Commission on its stand in relation to the briquette depot. According to the writer, Mrs Evans was being unfair in her remarks because—

(a) Cr Crofts did not say that he no longer wanted the removal of the briquette depot; and

(b) The seconding of the motion proves that he was in favour of the Labor Caucus's decision.

Apparently what Mr Jeavons fails to realise or hopes that the public won't, is that a man in public life will promote his image if nothing else. When a man jumps on to the political bandwagon, he must do so with a policy behind him even if this means the reiteration of the policy of his opposition, and once having scraped up this policy he must rigorously keep to it, lest he be charged as a hypocrite and opportunist which would mean his political destruction. By seconding the motions of his opposition in regard to the briquette depot, it could appear that he was consistent with his policy thus promoting the required public image. It is no good telling Mrs Evans or myself or the public that Cr Crofts can be defended by something which he is politically forced to do.

The question still remains. What were Cr Crofts' intentions when he officially kept to his policy but requested restraint by the ALP councillors in their non-compromising campaign for the removal of the briquette depot? Could it be that he has not grasped the full implications of this imposition on the community? The briquette depot not only causes air pollution and other immediate problems to the people in the area, but it also takes up a large holding which could be better used such as in the form of residential, industrial or accessory undertakings all to the betterment of the Shire.

The information imparted by Cr Crofts at council corroborated that which the ALP councillors had already put forward, that the SEC is carrying out laboratory tests which it hopes will eliminate the dust menace. The ALP interpretation of this is that the SEC hopes it will eventually by scientific breakthrough reduce the criticism being levelled at it. Unfortunately which this would mean the permanent entrenchment of the briquette depot in Altona. In the interim the SEC will attempt to delay any form of negotiation in the hope that their scientists will succeed, having no consideration for the people in the area at the present time. This necessitates a concerted effort by the council and the people for the immediate removal of this threat to householders and the future of this Shire.

Apparently, Cr Crofts does not hold this view, since he requested leniency by the council towards the SEC. Possibly thinking he had something new to submit, he expected to achieve political capital, instead he has indicated his naiveness of the whole question and his unawareness of the subtleties of big business.

Yours sincerely,

L. HEARN.

Also I remind all ratepayers that a meeting will be held, as soon as a suitable date is agreed upon, to form an Arts Council which I hope will become responsible for the promotion and supervision of cultural organisation in Altona and in turn sponsor an Arts Festival.

Yours faithfully,
Cr. ANTHONY J. FISHER.

35 HOUR WEEK

Dear Sir,

A 35 hour week will naturally be most acceptable to council employees whether they be local ratepayers or not, but will the majority of ratepayers be happy with this direction from the Australian Labor Party Conference?

If council employees are fully occupied during their present working week, this cut in hours means either— (a) Overtime; or (b) An increase in staff.

Whichever alternative is adopted an extra burden will be placed on the ratepayers. Unless of course Weg's cartoon in "The Herald" on June 18 hits the nail on the head.

Surely the ratepayers, who have to foot the bill for wages and salaries of council employees, are entitled to a referendum on this matter. This could be held on the same day as the council elections in August and the result could surprise the council.

Yours,

VIGILANT.

(Name and address supplied.)

Dear Sir,

The correspondent to the "Altona Star" on June 16 referring to "The 35 Hour Week" apparently penned the letter hastily to meet the "Star's" deadline, or is ignorant of the facts around the matter.

The reference made to "direction" and "a prerogative of the Trades Hall Council" indicates a lack of knowledge, as the matter arose from a committee recommendation at the 75th Annual Conference of the Victorian Branch of the Australian Labor Party held on Queens Birthday weekend.

The immediate reaction of the correspondent was an "Increase in Rates" without any consideration to technical and machinery changes that enables such progress to be made for a shorter working week without a rate increase, and contrary to allegations by a Liberal Party spokesman in the "Melbourne Herald" last week, that a lack of services existed in Labor councils—a very rash statement indeed, for in actual fact out of the 211 municipalities only 10 are Labor councils who provide far more services than those with Liberal Party leanings, this is the case of our own municipality whose services are well known and envied, and with one of the lowest rates in the metropolitan area.

Conservative reactionaries have always been vocal at any suggestion of change, such as, when the Labor movement achieved the eight hour day some 90 years ago, at the granting of a 44 hour week, and when the 40 hour week was obtained in 1947.

It is interesting to note, that in the Commonwealth Arbitration Court in the September 1947 judgment in the 40 hours case, the following was said, "The pursuit of leisure by the workers of the world has persisted through history for many centuries, but leisure did not become realisable until man was able to add to the labour of his hands the force of nature. In the past it was enjoyed by a few who were able to command the labour of others. Capitalism replacing earlier social orders ushered in the machine age and made it possible to extend the boom of increased leisure."

Yours respectfully,
G. F. STIRLING.

INDEPENDENT NOT ANTI-LABOR

Dear Sir,

For Mr Stirling's information I write letters of my own free will, at the dictates of my conscience.

I am not anti-Labor and do not belong to a "letter writing brigade."

I answered the defeated candidate, Mrs Evans, from a sense of fair play, as I feel that Cr Crofts, being a minority of one, and only being in a few months has a difficult job.

Last year for the first time in my life I attended a council meeting as a member of a deputation.

I was very surprised to be present, when important decisions were being made, with no open discussion, for the ratepayers to see and hear.

They were put through swiftly, moved by a Labor councillor, seconded by another, voted on, and that was all the ratepayers in the gallery learned, by being present at a council meeting.

Then I realised that it was settled previous to the council meeting at the Caucus meeting.

This made me more firmly of the opinion I have always had, that party politics in council have a detrimental effect on a democratic council.

Surely the ratepayers, who foot the bill, are entitled to hear what discussions take place.

For most of our nine years as a Shire we have had an all Labor council and to have a dedicated man willing to do his best, is like a breath of fresh air. Our Labor men have had little success in the removal of the SEC dump at Paisley, so Cr Crofts does indeed need a "magic wand" to be successful.

Yours sincerely,
A. DICKSON.

Phone: 65-8163.

Dear Sir,

Mr Stirling, in his reply to Mrs Dixon's letter, attributes it to an organised letter writing brigade who are dedicated anti-Labor.

Mr Stirling, like all dedicated followers of a cult or cause, whether they are religious or political, must have their devil to justify their raison d'etre. In Mr Stirling's case it is "Anti-Labor," in other words, ratepayers who do not choose to allow an outside body to rule on local affairs must necessarily be anti-Labor.

I, for one strongly object to the election of councillors who permit faceless men to give directions on the management of Shire affairs, and lest Mr Sterling imputes to me anti-Labor feelings, let me say I have voted Labor more times than Mr Stirling has.

The inference that supporters of Cr Crofts "no party" stand are anti-Labor is either made with knowledge of facts, in which case it is an untruth, or it was made without knowledge, in which case it is irresponsible.

Yours faithfully,
H. V. JEAVONS.

ALTONA SUFFER BAD DEFEAT

EAST HAWTHORN 4.8 7.11 16.14 18.16—124
ALTONA 0.1 1.6 1.6 4.12—36

GOALS (Altona): W. Devereaux 2, G. Munro 1 and R. Schwabe 1.

BEST (Altona): J. Petersen; G. Tyrrell, A. Malloy, P. McLean and D. Whitmore (second half).

Don Keytor, East Hawthorn captain and coach, won the toss and elected to kick with the wind. East Hawthorn were first to score with a goal. They consistently attacked the goals only to be repulsed by the solid defence of Altona's backmen.

Play see-sawed up and down the ground until round about the 17th minute mark when East Hawthorn scored another three goals. Altona's first chance came for a goal when Munro hesitated when going for the ball and this allowed East to clear. The first Altona score came up when Ron Schwabe grabbed the ball from a throw-in and from a left foot snap from the forward pocket kicked a point—this was Altona's only score for the quarter.

With the strong breeze in the second term it was expected that Altona would have no trouble in bridging the gap of six goals, but, alas, this was not to happen.

Altona were attacking the goals but were kicking points—these were easy shots for goal. In this quarter East Hawthorn added 3.3 to Altona's 1-5. It is interesting to

note that East's three goals were kicked against the wind, whereas Altona could only manage one through a snap for goal by Munro just before half time.

Changes during the second quarter were Tyrrell from half back flank to centre in place of Mario Piovesan, Piovesan into the ruck and Skinner from the ruck to the half back flank. Skinner (injured hand) was replaced at half-time by Whitmore, who went to the half back flank.

Altona in the third quarter had a loose man in defence to try to stop East Hawthorn from kicking goals.

This move failed as East Hawthorn scored 9.3 in a fast, open game of attacking football to keep Altona scoreless for the term.

East made Altona look like a team of schoolboys, apart from a few players. The rest of the team looked as if they were not interested in playing football. They looked as if they were a bottom team instead of a team trying to make the four and play in the finals—if they are to make the four they will have to improve considerably over the next few weeks as they play two of the top four teams.

Changes in the quarter were John Shaw to half forward flank and Tim Gurrie to the half-back flank.

Players battling hard and trying to lift Altona were ruckman John Petersen, playing his best game for the season, Austin Malloy, who always gives a solid 100 minutes of football for the club, Graham Tyrrell, playing his second Senior game of the year and was in everything, Phil McLean (back pocket) also gave 100 minutes.

Mario Piovesan, Bill Devereaux, Ron Schwabe and John Shaw all flashed into the play at some stage during this quarter.

At the interval John Shaw (injured) was replaced by Bill Wooding, who, in the last quarter, showed more purpose in his play by getting eight kicks than some who had played all day.

The last term was the only quarter that Altona outscored East Hawthorn, kicking 3.6 to 2.2. Ron Schwabe (1) and Bill Devereaux (2) scored for Altona.

East Hawthorn ran out easy winners by a margin of 88 points, thus Altona suffered its worst defeat since entering the Metro. League.

NEXT GAME

This Saturday, June 25, Altona play Deer Park away and if they win can get back into the four. To do this they will have to knuckle down right from the start and play 100 minutes of solid, hard, attacking football instead of the brand they have been playing. If they do not win they may as well forget about making the four this year and start to build up for next season.

SPECIAL EFFORT

Winning ticket numbers of the first 10 draws of the special effort are as follows—386, 126, 109, 422, 573, 600, 537, 506, 275 and 585.

WESTERN SUBURBAN FOOTBALL LEAGUE UNDER 18

Juniors Thrash Newport

ALTONA 5.11 11.17 18.20 24.27—171
NEWPORT 0.0 0.0 0.0 0.1—1

GOALS (Altona): MacFadyen 5, Butterworth 4, Hobbs 3, Hogan 2, Boyle 2, Allen 2, Duncan 1, I. Rielly 1, Kearsley 1, Thomson 1 Davis 1 and Walker.

BEST (Altona): Duncan, Salisbury, Allen, Thomson and Wenlock.

Altona continued merrily on their winning way in drizzling rain at Newport Oval last Sunday. Alan Davis replaced John Stevens (flu) in the selected side and R. Richardson became 20th man.

From the centre bounce Altona raced into attack and from a mark deep in the forward pocket Tom Hogan scored a behind for Altona—the first score of the game. After the kick-out Altona attacked again and once more Hogan took a good mark. His kick into the goal square slid off the hands of the pack and the ever alert Hobbs soccered through the first goal to Altona.

Hobbs and MacFadyen crashed heavily. Both lay stunned on the ground as the Newport defenders cleared the next attack. Duncan, winning in the centre, kept driving Altona forward and Salisbury was a damaging half forward as Altona pressed forward.

MacFadyen goaled from close in, but then Walker, MacFadyen, Duncan and Wenlock added behinds. The Newport backs had little respite as the only time they passed the centre "Bones" Thomson cleared easily. After a rushed behind MacFadyen marked in the goal square to easily score his second goal. Hogan marked nicely for the next goal, but Duncan's long kick was off line for a point.

MacFadyen recovered from his earlier knock and again marked close in for his third goal, which he followed with a behind and Hobbs, Walker and MacFadyen all scored minors before quarter time.

Although the rain had stopped the ground was very greasy and the ball wet and heavy as the game resumed.

Attacking from a winning ruck MacFadyen scored his fourth goal and Altona's sixth. Duncan, with blistering speed and flashing handball drove Altona forward. Boyle snapped a nice goal and quickly followed with his second.

Haugh was enjoying the conditions as his ruck work helped Altona goalwards.

Hobbs slithered through the goal square and kicked Altona's ninth goal. Altona had most of the play in their forward lines but Newport's backmen fought hard. On Newport's few sallies forward Thomson and Butterworth were too strong.

Behinds to Duncan, MacFadyen and Allen followed. Salisbury passed to Duncan, whose lightning handball back to Salisbury deserved better fate than the point it scored. Walker with a lovely long punt scored a goal and a point snapped from the pack left Altona leading by 83 points at half-time.

A feature of the first half had been the long kicking of both sides with the wet ball and the blistering pace and play-on and handball of Duncan and Salisbury, both back after many weeks on the sidelines.

After half time a new look Altona appeared. The team had been completely changed, backs becoming forwards and vice versa.

Wenlock drove Altona forward from the bounce. Duncan combined with new centre half forward Thomson to find Butterworth, whose kick dropped short and from two yards out Ian Rielly started the procession. "Goal sneak" Allen

got another goal and a behind to MacFadyen followed. Wenlock punt passed nicely along the forward pocket and again "goal sneak" scored a major. His next two shots brought only behinds and it was left to "Bloomers" Kearsley to rove smartly and do another goal through.

It was a toss-up at this stage whether the water or the elastic of Kearsley's knicks would win. The wetness was slowly dragging them down, but the elastic was standing up to the strain.

Flashing play by Duncan to Butterworth was touched on the way through, but "true boot" Butterworth notched the next major. Duncan, with a long driving kick on the run added another. The new look Altona half backs led by "Irish" Boyle, had settled down nicely and with clever combining by Haugh, Salisbury and Walker nothing passed through. MacFadyen scored another goal before the end of the third quarter.

Newport battled hard at the start of the final term, but continued to take the long way round and Walker and Peachey turned their initial attack.

Kearsley kicked a behind for Altona and another was forced through. Then "Bones" Thomson, with a magnificent kick got his first goal. A behind to "goal sneak" Allen followed. Duncan raced from centre half back in a slashing clearing dash, handballed to Boyle, took the return pass and then handballed in the best "Polly" Farmer manner to Thomson who only managed a point.

The backs-cum-forwards lost their earlier accuracy as behinds to Thomson, Allen—who is in danger of losing his title of "goal sneak"—and Boyle followed. Butterworth scored two good goals—one in the best rover tradition as he skirted the pack and Alan Davis became the twelfth individual Altona goalkicker.

Then it happened—with about seven minutes left to play, Newport attacked around the railway wing and forced the ball to within 30 yards of goals when "Moose" Wenlock, with a perfect shot off the ground drove it straight down the centre to register Newport's only score for the game. "Tiger" McDonald and Richardson replaced Sam MacFadyen and McCutcheon and Altona retaliated with further goals to ruckman(?) Tom Hogan and "true boot" Butterworth and behinds to McDonald to win a very easy victory.

Newport fought to the bitter end and must be congratulated on their refusal to give in in the face of Altona's overwhelming superiority.

NEXT GAME

Next Sunday's game is against West Newport at Altona and should be a real thriller.

WESTERN SUBURBAN FOOTBALL LEAGUE

OPEN AGE

LAVERTON OUT OF FOUR

Central Altona, by defeating Laverton, forced them out of the four and Maidstone, with a good win over South Kingsville Rovers, took fourth place.

If they continue to show the gradual improvement evident in the last few weeks, Maidstone will be hard to displace.

St. Albans and Kingsville, both low on the ladder, provided the match of the day with a close, low scoring duel. With a few more good players in each side, both could start moving up towards the four very soon.

In the Under 18, Laverton scored a good first win for the season over Werribee, who could not break away into their open style of play because of the tactics of the opposition. Central Altona continued on their winning way by defeating West Newport by nine points. But for bad kicking the difference could have been greater.

Strong winds provided the toughest opposition for the lads of the Under 16 matches and the scores under such conditions were reasonable.

RESULTS

OPEN AGE

Central Altona 11-10-76, d. Laverton 9-8-62. Newport 17-20-122, d. Albion 2-4-16. Maidstone 14-13-97, d. South Kingsville Rovers 2-10-22. Kingsville 5-6-36, d. St. Albans 4-3-27. West Newport had the bye.

UNDER 18

Central Altona 6-15-51, d. West Newport 6-8-42. Laverton 6-9-45, d. Werribee 4-7-31. Altona 24-27-171, d. Newport 0-1-1.

UNDER 16

Altona 12-13-85, d. Newport 2-0-12. Werribee 16-21-117, d. Devon Park 2-1-13.

NEXT GAMES

Next weekend's games for all grades on grounds of first-named clubs (with the likely winners in capitals) are as follows—

Saturday

UNDER 16 (10 a.m.)
Werribee v. WEST NEWPORT (at Chirnside Park, Werribee).
DEVON PARK v. Newport (at Soldier's Reserve, Werribee).
Altona have the bye.

OPEN AGE (2.30 p.m.)

Albion v. WEST NEWPORT.
Cent. Altona v. NEWPORT.
MAIDSTONE v. Laverton.
KINGSVILLE v. St. K. Rov.
St. Albans have the bye.

Sunday

UNDER 18 (2.30 p.m.)
ALTONA v. West Newport.
WERRIBEE v. Cent. Altona.
LAVERTON v. Newport.

CENTRALS MOVE UP

CENTRAL ALTONA 6.5 7.5 11.10 11.10—76
LAVERTON 0.0 4.4 6.4 9.8—62

GOALS (Central Altona): G. Coulston 2, G. Harrington 2, D. Kakoschke 2, K. Murrell 2, J. Lott 1, D. Batties 1 and E. Jepsen 1. (Laverton): N. West 3, N. McKenzie 3, K. McKenzie 1, T. Sytema 1 and G. Lyon 1.

BEST (Central Altona): B. Trevean, E. Jepsen, K. Murrell, M. Sayers, R. Wilson, O. Stumbrass and T. Holland. (Laverton): P. Hirstback, R. Rigney, A. Quick, W. Rowe and G. Dickson.

Central Altona's captain and coach, B. Trevean, won the toss and Centrals kicked with a strong wind. Laverton were again slow to start and Centrals went ahead to score well for the first quarter.

Laverton were finding the going hard, four of their regular team were injured and could not play. Ken McKenzie hurt his ankle but kept playing on the wing and Alan Quick was starring on the backline. However, Centrals were too strong and kept the Magpies scoreless.

Goals for Central Altona were kicked by K. Murrell (2), G. Harrington, G. Coulston, D. Kakoschke and J. Lott, 1 each.

The second quarter found Laverton still fumbling. Centrals broke clear and kicked a goal against the wind. This goal by D. Batties gave Centrals tremendous confidence and their backs, led by M. Sayers, O. Stumbrass and E. Jepsen were on top.

Peter Hirstback, Graeme Dickson and Bill Rowe were best for the Magpies in this quarter.

The third quarter found Laverton fighting back, kicking two goals against the wind. Laverton were finding form and kept Central to a low score for the quarter.

Goals to G. Harrington, G. Coulston, D. Kakoschke and E. Jepsen gave Centrals a good lead at three quarter time.

Laverton failed badly to make use of the wind in the last term. Centrals broke through time and time again to keep the ball out of play.

The Central Altona defence held tight and at the end of the game Centrals led by 14 points to move into third position on the ladder and Laverton dropped to fifth.

WESTERN SUBURBAN FOOTBALL LEAGUE

UNDER 18

West Newport Down To Centrals

CENTRAL ALTONA 1.3 3.6 5.13 6.15—51
WEST NEWPORT 2.1 3.3 4.4 6.6—42

GOALS (Central Altona): M. Lawrin 2, R. Hendry 1, W. Kennedy 1, D. Gray 1 and A. Montgomery.

BEST (Central Altona): M. Lawrin, D. Gray, N. Davies, R. Hendry, E. Szatkowski and W. Kennedy. The West Newport v. Central Altona match at Loft Reserve, West Newport, started in drizzling rain, which made the ball slippery and difficult to mark. Play saw-sawed for most of the quarter as both sides tried to adapt themselves to the conditions.

Central Altona were off beam kicking for the big sticks, but a good goal by Bob Hendry left them only four points down at the first change.

In the second term the Centrals defence got right on top of the West Newport forwards but the Central forwards were still inaccurate and goals by W. Kennedy and A. Montgomery gave them a lead of three points at half-time.

The third quarter saw Central Altona continue to lead West Newport to the ball, but the forward line still continued to prefer the small posts to the big ones. A nasty incident in the goal square resulted in West Newport kicking their only goal for the

quarter when a free kick was awarded to a West Newport player after he had kicked a point.

Centrals quickly replied with goals from Mick Lawrin and D. Gray gave a handy lead of 15 points at three quarter time.

West Newport tried vainly in the last quarter and got to within three points of Centrals only to see Lawrins kick his second goal and Centrals held this lead to the end of the game.

NEXT GAME

This Sunday Central Altona travel to Werribee and expect a hard game as Werribee at home always seem to be a vastly different team to when they play away.

WESTERN SUBURBAN FOOTBALL LEAGUE

UNDER 18

Werribee Fail Against Laverton

GOALS (Laverton): G. Morrison 2, K. James 2, A. Rees 1 and G. Hoggar 1.

BEST (Laverton): B. Rair, B. Smith, D. Jerrett, G. Hoggar and T. Monks.

Laverton, the underdogs, not being expected to beat Werribee in their match at Laverton last Sunday, caused one of the biggest upsets of the season when they downed the strong Werribee side by 14 points.

The game was played in wet conditions and this made the ball hard to handle, but one would not think so by looking at Laverton's centreman Brian Smith, the way he handled the ball and dodged and passed to his team mates.

Drive was the feature from Garry Hoggar all day long. Alf Giblin took a one handed mark and played well. Laverton, remembering their

instructions and playing hard were full of fire and could not be upset, although Werribee made several attempts to do this.

Tony Monks, Allan Rees, David Jerret, John Thompson, and Bill Rair soon showed Werribee the writing on the wall. No matter what Werribee did Laverton just out ran them so much so that Werribee only scored three points in the last half of the game.

ALTONA UNDER 18 FOOTBALL NOTES

THANKS

Altona Under 18 Football Club with to thank all their supporters for turning up in force last Sunday and hope to see them this Sunday for the big game against West Newport to be played at Grant Reserve, Altona, at 2.30 p.m.

"ALTONA STAR" AWARD

3 votes to J. DUNCAN.—Congratulations Johnny, it was a real beauty. Fast and constructive all day. The architect of most attacks.
2 votes to W. SALISBURY.—Kept position well on the half forward flank. Never beaten and combined well with all the other forwards.
1 vote to A. THOMSON.—Either in attack of defence, a thorn in Newport's side. He marked and kicked the wet ball exceptionally well.

NO DATE FOR HIGH SCHOOL TENDERS

No indication can be given by the Minister of Education as to when tenders for the LAVERTON HIGH SCHOOL building are to be invited.

The Minister informed the Hon. Cr. A. W. Knight, MLC, who had raised the question that erection of a permanent building for the school has been included in the building program, but there are many urgent works on the program, and other variable factors which must be taken into account with the "planning of new school buildings. He said he regretted that at this stage he could not indicate when tenders would be called.

The 14 acre school site is on the corner of Bladin and Jennings Streets, Laverton.

Education officers are examining several proposals to determine the most suitable arrangement which can be made to provide temporary accommodation for the school pending construction of the building.

Cr Knight reports a site has also been reserved for a third primary school in Laverton. It is on the corner of Campbell, Bellen and Pearce Streets.

Andy Rice Shows Them How

Altona Soccer Club met University at Kim Reserve on Saturday in a match which could well decide who will go down into Division 3 at the end of the season.

Altona lost the toss and had to kick against the gale-force wind.

It was Andy Rice, immaculate in every phase of the game, easily the most improved player in Victorian soccer, who set the pattern of play by the "Maroons" for the whole game. Keeping the ball on the ground, good passes and hard tackling he never put a foot wrong. His big brother, Billy Rice, JUST-Footscray, Victorian and Australian centre half, was watching and we're sure he must have been proud of this display.

Altona had a goal on the board in the first minute. Harry Vyperen chased a through ball from Stuart Perry. He reached the ball at the same time as the goalkeeper, pushed it past him to Billy Coles. The left winger pushed the ball into an empty goal, but "Smiler" Vyperen leapt to his feet, rushed in and slammed it into the net, depriving Coles of a certain goal. This was a good team effort.

Bobby Milloy and Mario Grecco had the middle of the field sewn up and the University forwards were getting absolutely no chance. Craig Copley had the left wing in his "back pocket," a wonderful defence to watch in action, very good in recovery and the lack of understanding that existed at the start of the season is vanishing and is being replaced by good football.

At half time it was 1-0 for Altona.

After the turnaround with the wind the "Maroons" swept into attack. Steve Herman fed Billy Coles some effective passes. Coles passed the ball over to "Professor" Wilkie. He beat the full back, slipped it inside to "Smiler" Vyperen and he let go one of his block busters which hit one post, rocketed across the goal, hit the other post and then back

into play—a big let off for University. From then on it looked as though Altona would score no more goals. The ball proved difficult to control in these windy conditions. Billy Coles took a corner kick on the left, crossed a lovely ball and in rushed young Ian Robert to head the ball past the 'keeper for No. 2 for Altona.

The referee, Mr Contini, making his second visit to Altona, showed he is a good referee. He never missed a trick all afternoon and when the University right back jumped at "Smiler" Vyperen he had no hesitation in awarding a penalty. "Smiler" took it and gave the 'keeper no chance and Altona ran out winner by 3-0.

NEXT GAME

Next Saturday Altona will travel to Prahran. This will be a very hard game as both teams have good defences.

RESERVES

In the Reserve match once again the standard was very high. The Senior team players are being pushed for their positions. Walter Rosenzweig and Jablonski in particular can move up anywhere. A scoreless draw was the result of this entertaining game. Altona's new Reserve 'keeper distinguished himself very well.

Go by VALUE..

If you're after the car that gives you the most features for your money as a family-sized economy-car, or as a business car for your fleet, go for Cortina. Cortina gives you 5 to 6 passenger room, a huge 21 cubic feet luggage boot, choice of 2-door and 4-door models, up to 40 miles per gallon, 6000-mile oil change and lubrication, 4-speed, all-synchromesh gearbox, and a choice of 2 race-bred engines.

THE BEST-VALUED CAR IN ITS CLASS!

Altona Hockey Results

A RESERVE

Altona met Ivanhoe at Altona and ran out winners 2-1. This was a game in which Altona had many opportunities for an even larger score, but failed to take advantage of them.

GOALS: H. Hunter 1 and A. Baillie 1.

C NORTH

In a game against RAAF Point Cook, Altona opened strongly with fast, open hockey, but were kept out by good defensive play. Mid-way through the first term, McCauley, with strong play, moved into the circle to score Altona's first goal, followed with another goal by outside left Grant. RAAF, not to be denied, scored from a short corner, but this was to be their only goal. Docker then netted to seal the game 3-1.

BEST: R. Ranger, B. Smith and R. Smith.

D NORTH

University Blues met Altona at Royal Park. In a relatively fast, open game in which both teams played tight hockey, Altona were loose enough to let three goals through in the first half. In the second half Altona concentrated on their play and were always moving into attack. Waters broke away and took the ball to the top of the circle where a pass from Golden to Curnow and back again scored. Altona then applied pressure with strong play by the backs Egan and Henshall, but University forced two more goals to win comfortably 5-1.

UNDER 14

Altona started this game determined to redeem themselves after their display this week before.

Attacking all the time from the first whistle Altona could still only find the net twice in the first half. After the break the home team came out fighting and slammed home three goals in seven minutes, the result of good passing between the forwards which cut the opposition backline to ribbons. Another two good goals capped the game off to give the team the best win for the season.

Altona won 7-0.

GOALS: Lukoszek 4, Carruthers 1, Duncan 1 and B. Smith 1.

BEST: R. Lukoszek, B. Duncan and G. Carruthers.

UNDER 12

Altona 1, lost to Greensborough 2.

The Under 12's had their first defeat for the season when a very determined Greensborough came onto the ground with one thought in mind, to topple the undefeated Altona.

The game in the first half was very even with both sides trying to force the ball into attack through their right wings. Altona managed to gain the upper hand when Johnny Trickey scored from a penalty corner. Altona held the lead until half time and at this stage it appeared as if they could go on to another comfortable win.

In the final half the "Burras" from the first bully dictated the play with the right wing battling to feed the ball to his inside forwards, who on two occasions found the net which was enough for Greensborough to win the game 2-1.

LADIES HOCKEY

D GRADE

Altona had another victory this Saturday against National Bank. The score was 8-0, with the play mainly at Altona's attacking end. Liz Szatkowski scored Altona's first goal with a clear shot for goal. Racing in from the wing, Meg Duckett passed through Bank's defence and finally hit the second goal.

Once again the ball found its way to Altona's goal circle and after a tussle a few feet from the goal, Pam Willet hit the ball onto an opponent's stick and it went in for a goal. Before half time Nelly Skolny managed to hit Altona's fourth goal.

After half time National Bank returned to the game with a little stronger defence but Altona still dominated. With more combined work on the forward line, Liz Szatkowski scored two more goals for Altona after which Nelly hit the final two, making Altona's total eight goals at the end of the game.

BEST: Liz Szatkowski.

Laverton Briquette Machinery To Go

A number of Laverton residents will be pleased to learn that the briquette loading machinery near Laverton railway station is to be removed.

When in use the now disused equipment was the subject of a number of complaints from nearby ratepayers.

The Acting Minister of Transport has notified the Hon. Cr. A. W. Knight, MLC, that the Railways Department will be removing the equipment and clearing the site at an early date.

SHIRE OF ALTONA

BY-LAW No. 32.

Notice is hereby given that a By-Law as follows has been made and adopted by the Council of the Shire of Altona:—

By-Law No. 32—Prevention or Minimising of Noises By-Law.

For the purpose of the prevention or minimising of noises in any public highway or any premises within the municipal district of the municipality and for other purposes.

Such By-Law shall have force and effect within the precincts of the Shire of Altona as from June 23, 1966.

By-Law No. 32 was adopted by Resolution passed by the Council on March 22, 1966, and the Resolution passing such By-Law confirmed on May 10, 1966.

Approval of the Governor in Council in so far as it relates to controlling and regulating the use of premises with a view to preventing objectionable noises at unreasonable time was given on June 7, 1966.

Copies of the By-Law have been deposited at the Civic Offices, 115 Civic Parade, Altona, and are open for inspection during office hours, free of charge.

PUBLIC NOTICES

FIRING PRACTICES—WILLIAMSTOWN RIFLE RANGE AREA

The PUBLIC is hereby warned that FIRING PRACTICES with rifle, machine gun, machine carbine and pistol may be carried out between 0730 hours and 1900 hours daily in the WILLIAMSTOWN RIFLE RANGE area.

DURING THE MONTH OF JULY, 1966.

Members of the public must keep clear of the area defined below.

DEFINED AREA

All the land of the WILLIAMSTOWN area known as MERRETT'S RIFLE RANGE that is to say all that land SOUTH of KOROROIT the WILLIAMSTOWN (or CREEK ROAD) enclosed between the junction of KOROROIT CREEK with the EASTERN boundary line of MADDOX STREET; thence in a NORTHERLY direction to the corner of MADDOX STREET and KOROROIT CREEK ROAD; thence in an EASTERLY direction to the junction of KOROROIT CREEK ROAD with the property of the Victorian State Education Department, thence in a SOUTHERLY direction along this boundary and the boundaries of housing properties; thence again in an EASTERLY direction for 259 yards to the boundary fence of the Girls' School; thence again in a SOUTHERLY direction to the PORT PHILLIP BAY FORESHORE; thence in a WEST and NORTH WESTERLY direction along the FORESHORE to the junction of KOROROIT CREEK with the EASTERN boundary line of MADDOX STREET afore-mentioned; and for a distance of 3200 yards SOUTH (into PORT PHILLIP BAY) through the length of this FORESHORE widening to a length of 3800 yards at its SOUTHERN extremity.

ENTRY INTO THE AREA

Members of the public seeking entry into the range proper in the course of business must first make application to the Range Superintendent. Telephone 65-6027. Entry for any other reason is forbidden.

Members of the public are warned against entry into the danger area of PORT PHILLIP BAY whenever firing practices are being conducted.

FLYING OF DANGER FLAGS

As a warning to the public that the range is in use RED flags are hoisted in the vicinity of the range foreshore at intervals throughout its length.

Letter to the Editor

Dear Sir,

Your issue of April 6 last reported certain proceedings at a meeting of the Altona Shire Council involving the levelling of allegations against a council officer.

Your reporting of the incident in my view, was entirely correct but reference to the minutes of the meeting at which the allegations were made shows that Mr R. Winder the council's building inspector was both directly and by inference accused of improper conduct and this Association is most anxious that his position as a municipal officer should not be jeopardised by any public misapprehension in the matter.

The Association has demanded retraction of the statements from the individual who made them and while verbal retraction has been made it has not been possible to obtain written public retraction of accusations made publicly (i.e. at a council meeting).

The Association feels that the council has a duty to protect all of its officers from improper attack and has expressed its view to the council which resolved at its meeting on June 7 last:—

"That so far as the Council of the Shire of Altona is concerned, the council is in a position where it can state that it casts no reflection and has not cast any reflection on the integrity of Mr Ronald Winder, Building Inspector."

Publication of the council resolution would be greatly appreciated by the Association which feels that Mr Winder is entitled to have his reputation as a municipal officer freed from any suggestion of impropriety and that it can be publicly known that examination of his conduct can stand the light of day.

Let us hope that his detractors can make the same claim.

Let me make it clear that this Association never has condoned and never will condone any action on the part of its members which is not consistent with the tradition of honest public service from officers in Local Government Service and we deplore any suggestion that the alien practice of attempting to induce honest Australians to depart from this tradition should ever occur here.

Yours faithfully,
R. E. IVORY,
State Secretary, Municipal Officers' Association of Australia.

Altona Tennis Club News and Teams

1st Altona Scouts

On Friday evening, June 24, at the Williamsown Town Hall, commencing at 7.30 p.m. Footscray District Cubs are holding their Cub Playtime. Come along and have an enjoyable evening with them.

Admission (donation) for adults is 20c and children 5c. Last year through much hard work by all concerned, 1st Altona won the Playtime Shield and hope to bring it home again this year. Why not come and give your boys the support they deserve.

There will be a bus leaving the Scout Hall at 6.15 and all Cubs who are taking part are requested to travel on the bus.

There will be a Group Committee meeting on Monday, June 27, at 8 p.m.

ALTONA BOYS ROUGH IT

15th MELBOURNE BOYS' BRIGADE

Five cans of beer, a full bottle of vodka (sealed) and a fox tail were the fruits of the Boys' Brigade expedition in the Jamieson District last weekend.

Whilst scaling an almost vertical hill with land rover type tracks forming the path, the boys came across the drink which had probably bounced off an unfortunate army jeep. Any proceeds gained from the find will be used to aid the band in the purchasing of extra equipment.

The fox tail was gained when after seeing a fox caught in a trap L. Cpl. Dave Moffett performed the execution in order to relieve the animal of pain and then removed its tail. Unfortunately when W.O. Sutherland went to look at the fox he caught his foot in another trap and had a narrow escape.

All in all, the boys had a great weekend camping out and following the old prospectors tracks along the Jamieson River. They left Altona on Friday night and arrived back safely on Sunday night.

Members who took part were W.O. Sutherland, Sgt. R. Coleman, Cpl. R. Lindmark, L. Cpl. D. Moffett, Pte. R. Moffett and Pte. R. J. Coleman.

Altona East Primary School Sport

Last week Altona East Primary School visited Seaholme for the annual football and basketball matches between the two schools.

FOOTBALL

FIRSTS

Seaholme won a very good match quite comfortably, 7-2-44 to Altona East's 2-4-16.

GOALS (Altona East): D. Doherty and R. Harfield.

BEST (Altona East): James Ryan, Peter Boardman, Ray Harfield, Graham Fullarton and Geoff Carroll.

SECONDS

Seaholme were again superior, winning 5-9-39 to 2-2-14.

GOALS (Altona East): J. Herman and S. Wilkinson.

BEST: S. Wilkinson, B. Rodgers, W. Bakker (capt) and J. Herman.

BASKETBALL

FIRSTS

Seaholme won a close and exciting game, 16-14.

GOALS: P. Deluca 9 and A. Sfameni 5.

BEST: Pama Deluca and Lidia Berlovan.

SECONDS

Altona East won well, 18-3.

GOALS: S. Hatzis 8 and S. Carabott 10.

BEST: A. Savvopoulos and S. Hatzis.

SHIRE OF ALTONA

TENDERS

Terra cotta roofing tiles, Windows, Hot water service, Porcelaine bath, Stainless steel sink.

For further details, contact Engineers Department at Civic Offices.

JAMES W. WATERS, Shire Secretary.

Seaholme Primary School News

FREEDOM FROM HUNGER

Diane Brennan and Dierdre Hale held a stall to help the Freedom from Hunger Campaign on Sunday, June 5. Sum raised was \$1.90. Brenda Mather and Susan Malin held a stall in Susan's backyard. Sum raised was \$1.50.

The children of Grade 5B and 6A supported the Freedom from Hunger Campaign most enthusiastically though a variety of activities.

1. Self denial giving, \$6.25; 2. Toffee sale, \$7.75; 3. Concert, \$7.00.

Grade 5A, with a jumble sale, Ronald Hale and Phillip Darburn raised \$11.

Grade 3A raised a total of \$8. This was raised through contributions from the children, a fancy dress competition, a small jumble sale and a guessing competition.

\$13 was raised by Grade 1B from a jumble sale and toffees.

The total raised by the entire school was \$120.

SPORT

Seaholme defeated Altona East in their football match by 31 points through making good use of the wind.

Best for Seaholme were Russel Ewen, Ian Willett and Alan Spencer.
